Expertise

Corporate , Banking & Finance , Shipping & aircraft , Private equity

Massimiliano della Zonca is a member of our Corporate and Banking & Finance team in our Luxembourg office, focusing his activity on corporate & subscription finance, refinancing, M&A and private equity deals. He advises lenders and borrowers on all aspects of financing transactions. He further assists international clients in cross-border transactions and advises companies and family-owned business on the whole spectrum of corporate law. His experience spans various industry sectors, including real estate, energy and shipping. He is also well versed in restructurings, liquidations and insolvency. He previously gained extensive experience working as senior legal counsel at Marcol Europe, a UK equity investor and real estate asset manager. Prior to that he was an associate at Nunziante Magrone Studio Legale Associato, an international law firm based in Rome.

Massimiliano is an independent director of Luxembourg companies and a member of the board of directors of the Luxembourg Maritime Cluster (**CML**). He is also active within CML reviewing and commenting Luxembourg projects of law on shipping related matters.

Massimiliano is fluent in English, Italian and French.
